Sophomores

On February 14, 1859, Valentines Day, Oregon became the 33 state to be admitted to the Union. This year, 1959, is the 100th birthday of the state of Oregon.

To show our pride in Oregon, we, the annual staff, have chosen as our theme for our 1958-1959 annual, the Oregon Centennial. We feel that this is indeed a great event which occurs only once in a lifetime.

Dedication Made

To Mom and Dad

We dedicate this book to YOU
In appreciation for all that you do.
Your guidance and love throughout the years
To us has been so very dear.

Through all our measles, mumps and such
You've carefully nursed and watched over us.
You've shared our achievements, our despair
And we've felt your concern with us there.

So God Bless you, Mom, and also you, Dad,
For helping us always as you have.
Thank you so much for all that you've done
In making our life such a wonderful one.

My sincere hope is that the students of Glide High School will receive the kind of education that will enable them to meet the challenges of the future with the confidence that is born of wisdom and knowledge. Students must realize that the men who build the future are those who know that greater things are yet to come, and that they themselves will help bring them about.

Harry Harvie

Principal

In this my first year at Glide I have found this to be a good school, a wholesome place in which to be. My influence upon it as principal has been based on the idea that no information or learning that deserves to be called knowledge is either worthless or useless. Life is more than making a living, more than making financial arrangements to insure that the body be fed, clothed, sheltered and entertained. Although these matters must be attended to, education is something besides training, and it is more than skill. Nearly everyone reaches these conclusions or others of similar meaning, at sometime in life - frequently after life is well along. A good school can help people reach them earlier. I hope this one has.

Citizens of the Year

LINDA MCCORMACK

Miss Linda McCormack will long be remembered by her fine dramatic portrayals the past four years. As a freshman and sophomore she was a member of Pep Club, Rally Squad, Band, and Chorus. She was also selected to be a Girl of the Month and to be a princess for the Carnival Court.

In Linda's junior year her activities increased to include Yell Queen, Girls' State Delegate, Girl of the Month, Prom Princess, and she was initiated into the National Honor Society.

This year as a Senior, she showed her capabilities as she headed the Student Body as its Treasurer. She was selected to be on the ATOKA staff.

JOHN TURNBULL

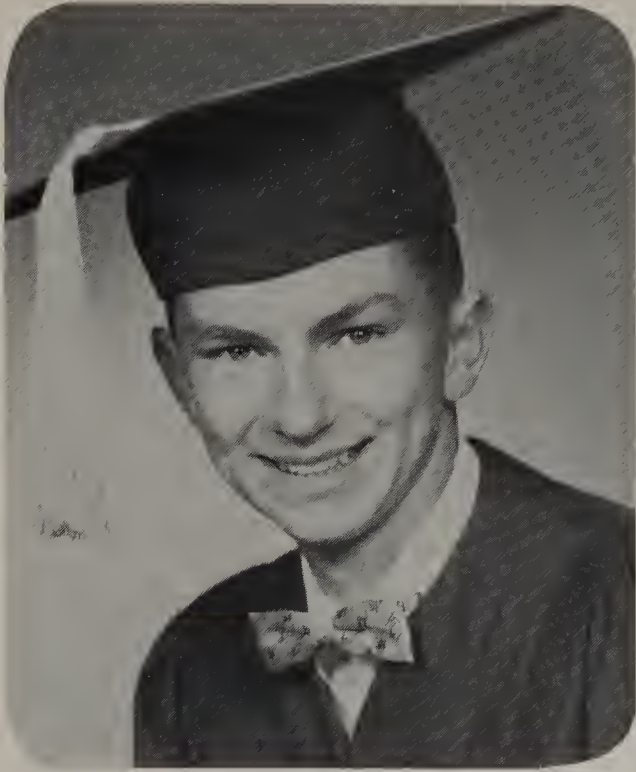

John Turnbull will probably be best remembered for his glowing personality. John didn't enter Glide High School until he was a junior. However, this has been no handicap since he has participated extensively in school activities.

As a junior J. T. was selected to be a prince for the Heart Hop Court and the Carnival Court. He was also seen as John Cartret in the play "Smilin' Through."

As a Senior this year John played varsity football and he was a member of the Student Council. His most important and biggest duty this year was serving as President of the Senior Class. During John's free time he can be found working in the community and supervising a church group of youngsters.

VALEDICTORIAN

Bill Meloy, Valedictorian of the '59 class, served as class president during his junior year. Bill has also served as president of the National Honor Society for two semesters.

SALUTATORIAN

Charlette Hill, Salutatorian of the '59 class has served as a capable office secretary during the past year. Charlette has also been active in G.A.A. as well as the National Honor Society.

Senior Honors Disclosed at Graduation

P. T. A. SCHOLARSHIP

This year the track team under coach Bob Miller had a building year. Two bright spots in the team were Larry Jones who picked up a total of 5 first places over the year and Larry Manske who placed in every meet. Next year Glide will have a new track and should enjoy a successful season.

Varsity Baseball

Glide Downs Riddle Nine By 4-2 Count

The Glide Wildcats downed the Riddle Irish Friday afternoon at Glide, in the first baseball test for both clubs.

Over the nine-inning route, the Wildcats posted a 4-2 non-counting win.

Southpaw John Livingston received credit for the win and Steve Keele was charged with the loss for the Irish.

Glide Upends Myrtle Creek, 9-7, In Non-League Action

The Glide Wildcats won a non-counting baseball fray with the Myrtle Creek Vikings Saturday afternoon, downing the Viks, 9-7.

Troy 10-1, Glide 5-19

The Glide Wildcats and the Douglas Trojans battled for five hours at Glide Tuesday afternoon and split a UVL doubleheader.

The Trojans grabbed the first game 10-5 and the Wildcats exploded all over in the second game to rack up a 19-1 win.

Two For Glide

The Glide Wildcats were simply too much for the Oakland Oakers Tuesday afternoon, as Jack Forsythe's club rolled over the host Oakers 24-2 and John Livingston pitched his second no-no game within a week. The Glide lefty won, 13-0, in the nightcap.

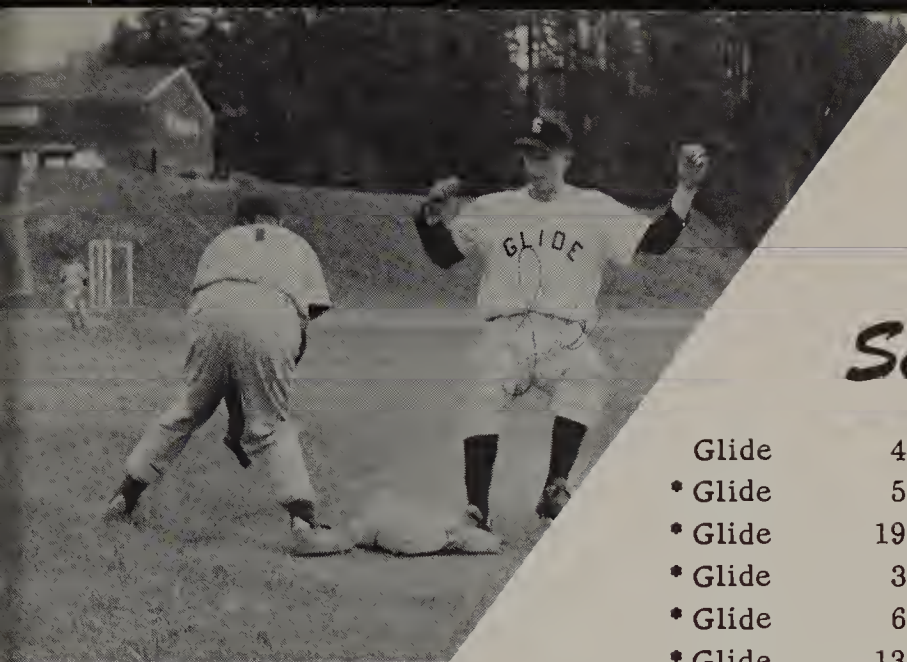

John Livingston's no-no effort against the Sutherlin Bulldogs and the four-hitter tossed by Dave Cellers pulled the Glide Wildcats up into a tie for third place in the UVL standings Tuesday.

HOW DO YOU GET A HIT OFF THIS GUY?
